# ABOUT

We understand that every firm has its need of accounting and book-keeping to support their business. To serve this need, Bisways provides accounts outsourcing services to the clients ranging from a small start up such as a proprietorship, India to an LLP incorporated in USA, at the most promising affordable prices.

Accounts outsourcing services offered by Bisways will help you to identify the key financial indicators and performance in real time, enabling you to make the right decisions at the right time.

## **Become Profitable**

A bookkeeping service puts control on cash flow, reduces tax liabilities and maximizes profits through management controls.

## **Save Time**

Most business people spend around 6 hours a week on these undertakings and we get 80% of that off your plate.

## **Expand Cash**

We provide daily, weekly or monthly reports which will help the Management to settle on better cash decisions and help businesses augment their cash. As a result it is expected that the clients can save up to ₹2,00,000 a year.

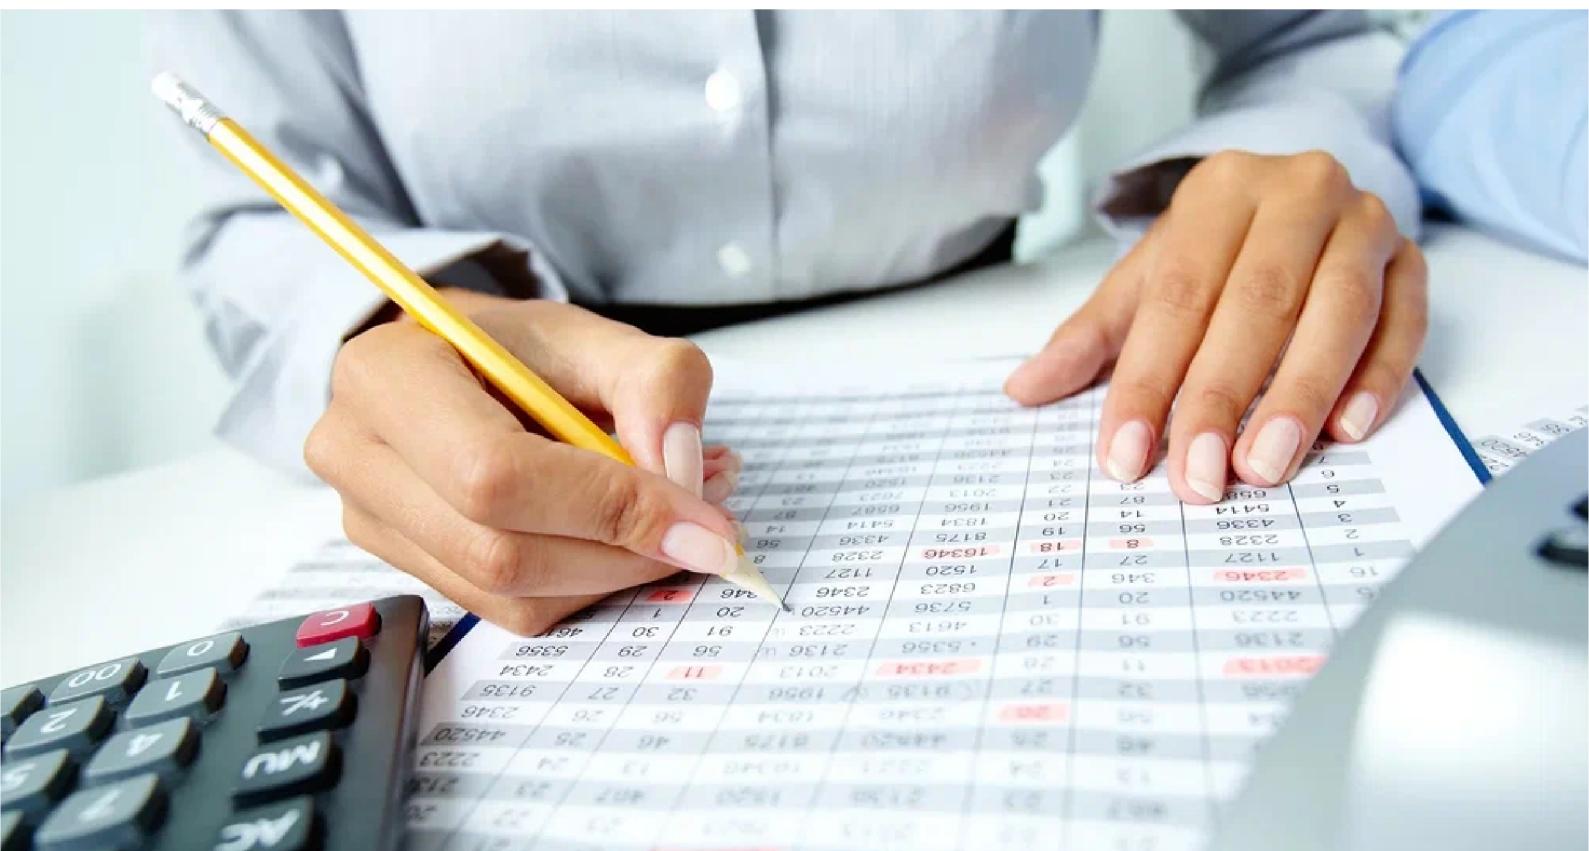

## **Enhance Collections**

We at Bisways help businesses increase their collection rates upto 30% through enhanced mode of invoicing, documentation, debtor reports, and electronic follow ups.

# SERVICES

Bisways is one place where you will find the best Accounting Services for all kinds of business. We can design, develop and run most modern accounting tools and take care of your financial planning needs as well. We have global reach and have customers across the globe.

We are an innovative outsourcing company with a difference and our services and business model includes all types of outsourced accounting services.

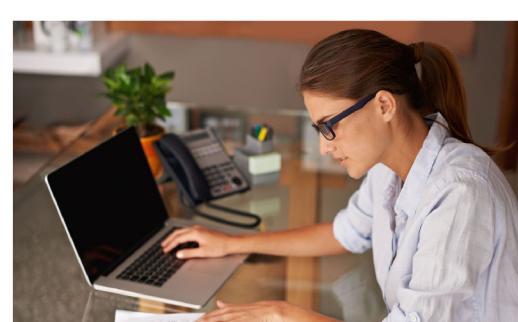

Our team of financial advisers has their accounting concepts crystal clear and they simply love numbers. They also understand the importance of submitting reports on time and will surely meet the deadline. You can opt for our trial run in order to get an idea about the good quality work that we do.

# PROCESS

## STAGE 1

### You fill the inquiry form

We have an easy to fill form to allow us to get your details for faster and easier communication

### The client relations team calls or emails you

We have a team working around the clock and we guarantee the fastest response after you contact us.

## STAGE 2

### Understanding of requirements

### Ballpark Estimate

### Proposal

our team prepares and presents a comprehensive proposal for the project based on the client's request.

## STAGE 3

### Confirm pricing :-

We appreciate that pricing is the most sensitive issue in outsourcing and that's why we advise our clients to understand all the details.

### Contracting & SLA signoff :-

Once the pricing and all other aspects of engagement including SLA have been sorted, our team and the client sign the contract.

## **STAGE 4**

### **Resource Deployment & Training**

Once the contract signing is complete, we commence on resource mobilization and deployment to ensure everything needed is in place.

### **Project Kick-off Meeting**

after training, we organize a project-kick-off meeting with every one who shall be working on this project.

## **STAGE 5**

### **Project Execution & Management :-**

We start work on the project with a goal to achieve the objectives set by the team. Our team is highly experienced in financial projects, and we use our expertise to ensure everything moves like clockwork.

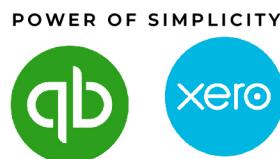

### **On-going Reporting & Feedback :-**

As the project continues, we use the identified channels for real-time reporting and feedback with the client.

# SOFTWARE PROFICIENCY

In an environment of rapid change, every company need an accounting firm that understands new technologies or software and the marketplace conditions that create them.

We at **BISWAYS** can help you cope with these challenges, our team of experts are well trained and updated with recent cloud based systems and can provide the best expected services using same.

# Client Testimonials

The team at Bisways quickly and efficiently researched large amounts of data and was able to provide results that were clear and organized. This reduced much of my workload and gave me the comfort of the accounting adjustments I needed to make to have accurate financial statements.

**Jason Matich**

The professionals at Bisways really took the time to understand our business and its unique needs. They created a personalized accounts plan that helped streamline our business processes and prepare us for the future. We really appreciate the time they dedicated to helping our company move forward.

**Amy Thomson**

The team at Bisways quickly and efficiently researched large amounts of data and was able to provide results that were clear and organized. This reduced much of my workload and gave me the comfort of the accounting adjustments I needed to make to have accurate financial statements.
